FUND MANAGER COMMENTARY

In August 2019, IDR CII Equity Fund booked performance of -2.53% mom, in line with mixed movement of the three underlying markets in IDR (MXID performance of -2.6%, MXCN performance of -3.3%, MXIN performance of -2.2%). In last month, global market corrected in the early of the month driven by Trump decision to put tariff on USD300bn import from China followed by sideways on the lower range due to the retaliation from China as well as inverted US treasury yield curve. In domestic side, equity market follow similar pattern with relatively stronger recovery in the end of the month. Going forward, China, India, and Indonesia equities will continue to depend on economic development, currency's stability, and global risks' dynamics.
