FUND MANAGER COMMENTARY

Inflation in July 2019 edged up to 3.32% YoY (0.31% MoM), compared to previous month of 3.28% YoY (0.55% MoM). An increase in the price of administered items offset softening core and flat volatile food inflation. Meanwhile, Bank Indonesia continued easing by cutting the 7-day reverse repo rate by 25 bps to 5.50% in August, marking the second straight month of lowering policy rate. The decision reflected the central bank desire to support economic growth. Sharia principle banks lowered their mudharabah return at the equivalent interest rate range of 6.75%-8.00% per annum and IDR Dana Berkah Fund booked return of +0.37% in August 2019.
