FUND MANAGER COMMENTARY

Inflation in November 2019 recorded at 3.00% YoY (+0.14% MoM), lower than previous month of 3.13% YoY (+0.02% MoM). The increase was led by food prices, though most categories also saw small price gains, with transport as the exception. Meanwhile, Bank Indonesia maintained its 7-day reverse repo rate at 5.00% in December but continued to signal an accommodative monetary policy. In contrast, Sharia principle banks have increased their mudharabah return at the equivalent interest rate range of 6.25%-8.00% per annum approaching year end 2019 and IDR Cash Syariah Fund booked return of +0.36% in December 2019.
