FUND MANAGER COMMENTARY

In April 2020, IDR Prime Equity Fund booked performance of 5.03% mom, better than the benchmark performance. By sector inside JCI, Materials was the largest positive contributor (3% mom), while Financials was the largest negative contributor (-1.3% mom). Global market and domestic market continued the rebound from the end of March, driven by various stimulus by government and central banks all around the world. In the other hand, oil price also bottomed out in the later part of the month. Going forward, Indonesia equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, potential treatment and vaccines, and policy reaction including healthcare policy, stimulus, and plan for reopening.
