FUND MANAGER COMMENTARY

In August 2020, IDR Equity Syariah Fund booked performance of +0.92% mom, better than benchmark performance. By sector inside JII, Consumer Staples was the largest positive contributor (1.2% mom), while Communication Services was the largest negative contributor (-1% mom). In last month, global market rallied, driven by progress on vaccine development and dovish stance from the Fed in which they relaxed the stance on inflation targeting. Domestic market also rallied driven by overall positive sentiment from global market and continuous new policies to support recovery. Going forward, Indonesia equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, potential treatment and vaccines, and policy reaction including healthcare policy, stimulus, and support through recovery until post-covid19 period.
