FUND MANAGER COMMENTARY

In August 2020, USD Prime Global Equity Fund booked performance of +5.55% mom, below the benchmark performance. In last month, global market rallied, driven by progress on vaccine development and dovish stance from the Fed in which they relaxed the stance on inflation targeting. Going forward, equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, potential treatment and vaccines, and policy reaction including healthcare policy, stimulus, and support through recovery until post-covid19 period.
