FUND MANAGER COMMENTARY

In December 2020, IDR Equity Syariah Fund booked performance of +4.45% mom, below the benchmark performance. By sector inside JII, Communication services was the largest positive contributor (3% mom), while Consumer Staples was the largest negative contributor (-0.4% mom). In last month, global equity market and domestic equity market continued the rally from November, fueled by development and distribution on vaccine as well as US stimulus announcement. Going forward, Indonesia equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, treatment and vaccines, and policy reaction including healthcare policy, stimulus, and support through recovery until post-Covid19 period.
