FUND MANAGER COMMENTARY

In July 2020, IDR Growth Equity Syariah Fund booked performance of +5.57% mom, better than benchmark performance. By sector inside ISSI, Consumer Staples was the largest positive contributor (+1.5% mom), while Real Estate was the largest negative contributor (-0.6% mom). In last month, global market rallied driven by progress on vaccine development, hope of new stimulus, and dovish tone from central banks with headwinds came from US-China tension and resurging Covid-19 cases on countries that had undergone the reopening. Domestic market also rallied driven by overall positive sentiment from global market, clarity on burden sharing scheme between government and BI, as well as various new scheme to support economic recovery. BI also cut its benchmark rate further by 25bps to 4.00%. Going forward, Indonesia equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, potential treatment and vaccines, and policy reaction including healthcare policy, stimulus, and development of reopening.
