FUND MANAGER COMMENTARY

In March 2020, IDR Growth Equity Syariah Fund booked performance of -18.20% mom, below the benchmark performance. By sector inside ISSI, Healthcare was the largest positive contributor (0.2% mom), while Consumer Discretionary was the largest negative contributor (-3.5% mom). Global market and domestic market corrected significantly, driven by rapid increasing of Coronavirus cases in US and other countries outside of China, including Indonesia. In addition, significant correction in oil price, due to disagreement between OPEC and Russia, also contributed to the higher volatility. The market rebounded in the near end of months on announcement of US USD 2 trillion stimulus. Going forward, Indonesia equity market will continue to depend the development of Coronavirus cases including number of cases, policy reaction, and potential treatment and vaccines.
