### FUND MANAGER COMMENTARY

In December 2021, USD Global Growth Opportunity Equity Fund booked performance of +1.63% mom, below the benchmark performance. In the last month, global market generally posted positive performance as investor went back and forth between concern of rising Omicron case and expectation of milder severity compared to Delta variant. In the other hand, Fed also increased the pace of tapering. In the domestic side, market also posted positive performance on the back of reopening as well as solid macro data on trade and fiscal data. Going forward, equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, potential treatment and vaccines, and policy reaction including healthcare policy, stimulus, and support through recovery until post-Covid19 period.
