FUND MANAGER COMMENTARY

In December 2021, USD Onshore Equity Fund booked performance of +1.66% mom, above the MXID performance (in USD). By sector inside MXID, Energy was the largest positive contributor (0.7% mom), while Consumer Staples was the largest negative contributor (-0.2% mom). In the last month, global market generally posted positive performance as investor went back and forth between concern of rising Omicron case and expectation of milder severity compared to Delta variant. In the other hand, Fed also increased the pace of tapering. In the domestic side, market also posted positive performance on the back of reopening as well as solid macro data on trade and fiscal data. Going forward, Indonesia equity market will continue to depend on the development of global and domestic macro and fiscal policies, geopolitics, and Coronavirus event.
