## FUND MANAGER COMMENTARY

In February 2021, IDR Equity Syariah Fund booked performance of +4.78% mom, in line with benchmark performance. By sector inside JII, Materials was the largest positive contributor (2% mom), while Industrials was the least positive contributor (0% mom). In last month, similar to January, global equity market saw a mixed performance in which most markets rallied in the early part of the month, driven by vaccination development and prospect of US stimulus, but corrected or consolidated in the later part of the month due to rising US treasury yield. Domestic market also rallied in the early part of the month and ranged in the later half of the month amid 25bps rate cut by BI and tax incentive for automotive industry. Going forward, Indonesia equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, treatment and vaccines, and policy reaction including healthcare policy, stimulus, and support through recovery until post-Covid19 period.
