FUND MANAGER COMMENTARY

In July 2021, IDR Equity Fund booked performance of +0.82% mom, slightly below the benchmark performance. By sector inside JCI, Financials was the largest positive contributor (1% mom), while Consumer Staples was the largest negative contributor (-0.8% mom). In last month, global market posted mixed performance with developed market posted a positive movement, in contrast to emerging Asian markets which were corrected driven by fear over tech regulation in China and resurgence of Covid19 cases in several countries including Indonesia. Domestic market also shown mixed performance in which small-mid cap performed better than large cap in general. Going forward, Indonesia equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, treatment and vaccines, and policy reaction including healthcare policy, stimulus, and support through recovery until post-Covid19 period.
