## FUND MANAGER COMMENTARY

In September 2021, IDR Growth Equity Syariah Fund booked performance of +1.85% mom, below the benchmark performance. By sector inside ISSI, Energy was the largest positive contributor (3.5% mom), while Materials was the largest negative contributor (-1.1% mom). In last month, global equity market corrected amid Evergrande credit situation that sparked concerns over spillover risks, China power outage, and uptick in global yield. In contrast, domestic market performed strongly backed by gradual reopening on controlled Covid19 cases situation. Going forward, Indonesia equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, treatment and vaccines, and policy reaction including healthcare policy, stimulus, and support through recovery until post-Covid19 period.
