FUND MANAGER COMMENTARY

In July 2022, IDR Equity Syariah Fund booked performance of +3.15% mom, below the benchmark performance. By sector inside JII, energy was the largest positive contributor (+2.8% mom), while consumer staples was the largest negative contributor (-1.1% mom). In last month, global equity market rebounded driven mainly by relatively dovish Fed outlook, except for China market which corrected due to concern on property sector, growth outlook, and less visibility on reopening. Domestic market followed the global market rebound amid modest second quarter earning announcement. Going forward, Indonesia Equity market will continue to depend on the development of global and domestic factors such as development on global inflationary pressure and subsequent policy reaction, global economic growth, and geopolitic situation.
