FUND MANAGER COMMENTARY

In June 2022, IDR Ultimate Equity Fund booked performance of -6.52% mom, below the benchmark performance. By sector inside JCI, consumer discretionary was the largest positive contributor(+1.6% mom), while financials was the largest negative contributor(-2.5% mom). In last month, global market posted a negative performance on concern of higher inflation, rate hike, and slower global growth, except for China market which rebounded driven by its reopening. Domestic market followed the correction in global market driven by similar concerns with IDR7.5trn outflow. Going forward, Indonesia Equity market will continue to depend on the development of global and domestic factors such as development on global inflationary pressure and subsequent policy reaction, global economic growth, and geopolitic situation.
