## FUND MANAGER COMMENTARY

In November 2022, USD Prime Greater China Equity Fund booked performance of 24.58% mom, below the benchmark performance. In last month, global market rebounded significantly driven by softening US inflation and China shifting toward reopening as well as announcement of support on its property market. Going forward, equity market will continue to depend on the development of global and domestic factors such as development on global inflationary pressure and subsequent policy reaction, global economic growth, and geopolitic situation.
