FUND MANAGER COMMENTARY

In July 2023, IDR Growth Equity Syariah Fund booked performance of +2.84% mom, below the benchmark performance. By sector inside ISSI, Energy was the largest positive contributor (+3.4% mom), while Communication Services was the largest negative contributor (-0.4% mom). In last month, global equity market generally posted positive performance due to easing inflation in US and China Politburo meeting result which signaled a more supportive policy stance for housing and private technology sector. Domestic market also closed higher amid mixed earning announcement with IDR5.9trn net foreign inflow. Going forward, the potential of sustainable and structural improvement in Indonesian economy with rising GDP/capita will become positive tailwind for long term Indonesian equity asset class for medium-long term horizon.
