## FUND MANAGER COMMENTARY

IDR Cash Syariah Fund generated +0.31% in August 2025 performance. Sharia Mudarabah returns declined to 4.00%–5.75% p.a. Inflation declined by 0.1% to 2.3% yoy in August from 2.4% in the prior month and IDR depreciated by 0.21% to IDR16,490/USD. Meanwhile, Bank Indonesia (BI) lowered its benchmark rate by 25 bps to 5.00% at its August Board Meeting, marking the fourth rate cut year-to-date despite stronger-than-expected Q2 2025 GDP growth of 5.12% YoY and broader indicators continuing to point to a slowing economy. BI emphasized that the rate cut aligns with expectations for inflation to remain within the 2.5% ± 1% target corridor in 2025–2026, while also supporting rupiah stability and economic growth.
