FUND MANAGER COMMENTARY

In May 2022, USD Global Growth Opp. Equity Fund booked performance of -2.4% mom, below the benchmark performance. In last month, global market posted a mixed month on month performance, generally with correction in the first half of the month due to fear on more hawkish tone from the Fed and rebound in the later half of the month due to expectation that the fear will not materialize as well as better development and expectation on China lockdown situation, China government policy to stabilize its economy, and talks on potential easing on trade tariff. Going forward, Indonesia Equity market will continue to depend on the development of global and domestic factors such as development on global inflationary pressure and subsequent policy reaction, global economic growth, and geopolitic situation.
