FUND MANAGER COMMENTARY

In April 2021, USD Prime Global Equity Fund booked performance of +3.17% mom, below the benchmark performance. In last month, global market rallied in the first half of the month and consolidated in the later half. Global manufacturing recovery and resumption of broad activities were the tailwind, while Covid19 resurgence in various countries became the headwind. Going forward, equity market will continue to depend on the development of global and domestic Coronavirus event, including number of cases, potential treatment and vaccines, and policy reaction including healthcare policy, stimulus, and support through recovery until post-Covid19 period.
